You can choose [unclear] [unclear]
[unclear] about the box?

In the dead of night when you look out, you'll see me looking in.

I'm afraid. I'm afraid. I'm afraid.

[unclear] when i'm almost through, and my wallpaper is of you,
when [unclear] smiling (always smiling?)

Useless. Useless now.
There's nothing left to do, but talk.
There's nothing left to do, but talk.
(To you).

This is what is failing .

When you get closer, I run away.
When she gets closer, I run away.

Running away. Running away.
(Always) running away.

Running.

First part of the "chinese whisper" text by Andrew Cannon.
